LAI Long Sang (Sunday LAI)'s concept-led works are realized through diverse methods and presentations. The media include moving image, performance art, readymade, and painting. She is sensitive to the city's inconspicuous yet subtle order; through art-making, she interrogates her desire for control, attempts to dominate realities in various ways, and pays attention to this world that continues to manipulate us (un)intentionally.

Born in Hong Kong; currently lives and works there.
